

Know your project

The Four Questions we will always ask you

One: What Color?

- Take color chips to view at home
- Bring in a color swatch- we can match any color
- Try a wet sample (260 colors available in 2oz. Jars)

Two: What type of paint? *Where/what you are painting*

- Inside Outside
- Metal Wood
- New Old

Three: What Quality Paint?

- | | | | |

| * Good Adhesion | * Superior Adhesion | * Lifetime warranty | * Green Seal Class A |
| | * Long lasting, Beautiful finish | | * Affordable |

Four: What sheen?

- Flat is a washable paint that has no shine. It minimizes imperfections.
- Eggshell is a scrubable, durable paint with a low-luster sheen. Also helps minimize imperfections.
- Pearl is a scrubable, durable paint with a medium sheen. Great for medium to high traffic areas.
- Semi-Gloss has outstanding durability, stain resistance, scrubability and shine.
- Gloss has maximum durability, stain resistance, scrubability and shine.
