

Know your project

The Four Questions we will always ask you

One: What Color?

- Take color chips to view at home
- Bring in a color swatch- we can match any color
- Try a wet sample (260 colors available in 2oz. Jars)

Two: What type of paint? *Where/what you are painting*

- Inside Outside
- Metal Wood
- New Old

Three: What Quality Paint?

- | | | | |
|---|---|--|---|
| <input type="checkbox"/> Good | <input type="checkbox"/> Better | <input type="checkbox"/> Best | <input type="checkbox"/> Eco-Friendly |
| Speedhide <ul style="list-style-type: none">* Uniform, Flat Finish* Good Touch-up* Spatter Resistant* Good Adhesion | Manor Hall <ul style="list-style-type: none">* Durable Acrylic Formula* Highly Washable/Scrubbable* High Hiding* Superior Adhesion* Long lasting, Beautiful finish | Manor Hall Timeless <ul style="list-style-type: none">* 100% Acrylic Cross-linking* Burnish Resistance* Antimicrobial* Lifetime warranty | Pure Performance <ul style="list-style-type: none">* Zero VOC* Minimal Odor* Antimicrobial* Green Seal Class A* Affordable |

Four: What sheen?

- Flat is a washable paint that has no shine. It minimizes imperfections.
- Eggshell is a scrubbable, durable paint with a low-luster sheen. Also helps minimize imperfections.
- Pearl is a scrubbable, durable paint with a medium sheen. Great for medium to high traffic areas.
- Semi-Gloss has outstanding durability, stain resistance, scrubability and shine.
- Gloss has maximum durability, stain resistance, scrubability and shine.
